## WHAT IS COSPACES EDU?

CoSpaces Edu is your creative platform for all ages and subjects. It compliments traditional teaching methods by immersing students into a world where they can create, consume and connect with the curriculum on a completely new level, even through the revolutionary visual medium of virtual reality!

Easily create 3D & VR content

Code your spaces with  
Blockly, JavaScript or  
TypeScript

Explore your creations, even  
in VR

Manage and observe your  
students' creation process

# 教育版應用

## DESIGNED TO ENHANCE 21ST CENTURY LEARNING SKILLS

- ✓ Engage your students creativity and imagination
- ✓ Use revolutionary technology to physically connect with the curriculum
- ✓ Enhance digital literacy skills and develop visual learning and thinking
- ✓ Practice collaboration and teamwork

AboutPricingCoding ▾ForumLoginSign up

### Let your students become creators

Enable your students to build and code their own experiences, not just consume them.

### Use one tool for all

Use CoSpaces Edu across all age-levels, subject areas and multiple devices.

### Bring the Wow! into the classroom

Engage and captivate your students to enhance their digital literacy skills.
