The image shows a screenshot of the Leonardo AI website. At the top left is the Leonardo AI logo. In the top right, there is a white box with the red text "登入使用" (Login/Use) and a red arrow pointing to a purple "Launch App" button. On the left side, a white box contains the red text "Google 帳號註冊" (Register with Google account). Below this box, a red arrow points to a purple "Create an account" button, which is also highlighted with a red border. Underneath the button, it says "No credit card needed". The background of the website features a stylized illustration of an elderly man with a long white beard and hair, wearing a purple and orange coat, set against a dark background with colorful, swirling patterns.

The screenshot displays the Canvas AI interface. On the left, a generated image of a woman with long blonde hair and sunglasses on a beach is shown. A red circle with the number '3' is placed over the image. To the right of the image, the user's profile 'lublogger9527' and the prompt 'A photorealistic portrait of a 25-year-old Amer...' are visible. Below the image, a toolbar contains buttons for 'Alchemy Refiner', 'Download', 'Share', and a red-outlined menu button '...' with a red circle and the number '3' next to it. This menu is open, showing options: 'Remove background', 'Alchemy Refiner', 'Alchemy Smooth Upscale', 'Alchemy Crisp Upscale', 'Delete Original Image', 'Edit in canvas' (highlighted with a red box and a red circle with the number '4'), and 'Report image'. To the right of the menu, technical details are listed: 'Input Resolution 768 x 512px', 'Created 10/02/24 at 9:21 PM', 'Pipeline Alchemy v2', 'Seed 173090048', 'Preset Dynamic', 'PhotoReal On', 'Model Leonardo Kino XL', 'Init Strength No init image', and 'RAW Mode Off'. At the bottom, a 'Workflow PhotoReal v2' section includes a 'Generate with PhotoReal' button.

The screenshot displays the Leonardo AI Canvas editor interface. At the top, there are navigation and tool options like 'Exit the editor', 'Snap', '32', '+', '-', '50%', 'Focus Mode', and a user profile 'Leonardo.Ai'. The main canvas shows a photograph of a woman with long blonde hair wearing sunglasses on a beach. A rectangular area on the right side of the image is masked with a dark grey background, indicating the area to be inpainted. A red circle with the number '5' highlights the 'Select' tool in the left-hand toolbar. Another red circle with the number '6' highlights the masked area. A white text box with red text is overlaid on the bottom right of the canvas, containing the following steps: '5. Select 工具', '6. 移動矩形框', '7. 輸入提示語', and '8. 生成背景'. At the bottom, a text input field contains the word 'beach' with a red circle '7' next to it, and a 'Generate' button with a red circle '8' next to it. The right sidebar shows various settings for the 'Leonardo Diffusion XL' model, including 'Canvas Mode' (Inpaint / Outpaint), 'Outpaint' toggle, 'Inpaint Strength' slider, 'Number of Images' (1-8), 'Image Dimensions' (512x512, 768x768, 512x1024, 768x1024, 1024x768, 1024x1024), 'Advanced Controls' (Aspect Ratio 1:1, Width 512px, Height 512px), 'Render Density' (1x), and 'Guidance Scale'.
